\* All are invited to Saturday's free Star-be-cue. The Riverside Astronomical Society will provide the charcoal, utensils, and plates. You bring your own something to throw on the grill and a little (salad, deserts, chips, drinks, whatever) for the pot-luck. Reminder: The grocery store in town has lots of stuff that would be just perfect.

\*\*All are invited to Saturday's free Ice Cream Social. The Riverside Astronomical Society will provide all the ice cream and fixings.

**DRAFT—Subject to change**
